Dear Principal:

It is my privilege to inform you that the following teacher from Raleigh Egypt High School has been awarded a **2003 College Board AP® Fellows** stipend:

Lurlynn Franklin

The College Board Fellows program provides stipends for secondary school teachers planning to teach AP courses at schools predominantly serving minority and/or low-income students. The stipends assist teachers with the cost of attending an AP Summer Institute. The Summer Institutes provide an excellent opportunity for teachers to increase their command of a specific AP subject, learn pedagogical strategies from other teachers, and receive up-to-date information on the latest curriculum changes.

By earning this award, College Board Fellows have demonstrated a commitment to excellence in education, and a willingness to make extra efforts to strengthen Advanced Placement and all of its philosophies at their school. I commend this dedication and drive, as, I trust, do you. I urge you to take a moment to congratulate the Fellow listed above on this accomplishment, and to invite your colleagues to do the same.

Should other AP teachers at your school wish to apply to the AP College Board Fellows program next year, they will be able to obtain applications in Fall 2003 from their College Board regional office, or at <http://apcentral.collegeboard.com>. The deadline for submission will be March 1, 2004.

Thank you for your support of the Advanced Placement Program.

Sincerely,

Lee R. Jones
Vice President
K-12, Development and Operations
